Prepare the activity

Print page 7 and cut out the caller cards if needed. Put the six cards at stations around the room. Call an adjective. One learner from each team walks quickly to the matching card, touches it, says the full answer, and returns to tag a partner. Change the target after each turn.

Differentiation

Support: keep the flashcards visible and let learners point before speaking. Stretch: learners ask the question without reading it and become the caller or leader.

Why this game works

The activity repeats all six words in short, meaningful turns. It also gives every learner repeated practice with: What is it like? / It is ____.
