Prepare the activity

Print page 7 and cut out the caller cards if needed. Put the six action cards around the room. Give an instruction beginning with Teacher says. Learners move to the matching card, point, and say the full answer. A learner can lead the next round.

Differentiation

Support: keep the flashcards visible and let learners point before speaking. Stretch: learners ask the question without reading it and become the caller or leader.

Why this game works

The activity repeats all six words in short, meaningful turns. It also gives every learner repeated practice with: What are you doing? / I am ____.
