Lesson plan notes

Prepare the activity

Print page 7 and cut out the caller cards if needed. Put one transport flashcard at six stations around the room. Call a transport word. Learners move to its station, touch the card, and say the answer. Let a learner become the caller after one round.

Differentiation

Support: keep the flashcards visible and let learners point before speaking. Stretch: learners ask the question without reading it and become the caller or leader.

Why this game works

The activity repeats all six words in short, meaningful turns. It also gives every learner repeated practice with: How do you travel? / I travel by ____.
